Forum of allergists - immunologists of the Republic of Kazakhstan

On October 16–17, 2025, the International Forum of Allergologists and Immunologists of the Republic of Kazakhstan was successfully held with a full house at the Kazakh National Medical University named after S.D. Asfendiyarov in Almaty.

World-renowned scientists spoke at the forum:

Professor Arzu Yorgancioglu — MD, PhD, Vice President of the European Respiratory Society (ERS), Chair of the GINA Board of Directors.

Topic: “What’s New in GINA 2025? Asthma Management.”

Professor Maia Gotua — MD, PhD, Director of the Center for Allergy and Immunology, President of the National Academy of Allergologists and Immunologists of Georgia.

Topic: “Anaphylaxis in the Focus of Clinical Practice.”

The forum became an important platform for the exchange of experience and knowledge. It was a great honor for us to meet such a High Professional.
